## PATIENT INFORMATION SHEET

### YOUR DOCTOR HAS REQUESTED THAT YOU HAVE A CARDIAC (HEART) CT SCAN OR MRI SCAN

#### DO I NEED TO MAKE AN APPOINTMENT?

Yes, an appointment is needed for all CT Coronary Angiograms, Calcium Score and Cardiac MRI scans.

Please call our reception staff to book in your examination:

- **Alexandria** - Cardiac MRI Specialist Centre - 02 9197 8000
- **Bankstown** - CT Coronary Angiogram / Calcium Score - 02 9197 8100
- **Bondi Junction** - CT Coronary Angiogram / Calcium Score - 02 9197 8000
- **Liverpool** - CT Coronary Angiogram / Calcium Score / Cardiac MRI - 02 9197 8100
- **Miranda** - CT Coronary Angiogram / Calcium Score - 02 9197 8000
- **Randwick, Silver St** - CT Coronary Angiogram / Calcium Score - 02 9197 8000

#### PREPARATION:

- Please bring all previous scans with you.
- **No caffeine products** (coffee, tea, cola, energy drinks etc) or food should be consumed **4 hours** prior to this test.
- Do not use Viagra or similar medications 36 hours prior.
- If you are a **diabetic** on any oral medication containing Metformin, or if you have **kidney disease**, please bring a copy of recent kidney function tests.
- If possible, **have someone accompany you**. You may feel dizzy or lightheaded after the scan and may not be able to drive for 1-3 hours.
- Drink 3 - 4 glasses of water prior to the study.
- No exercise on the morning of your scan.
- **Do not smoke 4 hours** prior to your scan. Nicotine can raise your heart rate.

#### HOW LONG DOES THIS TEST TAKE?

The CT Scan takes less than 10 minutes, but we generally need to administer medications to slow your heart rate for the scan, often more than once.

An MRI scan takes 45 minutes to 1 hour to complete

Expect to be in our practice for between 1 and 2.5 hours.

#### DURING THE STUDY:

- Your heart rate and blood pressure will be monitored during and after the test and an ECG performed if necessary.
- A small cannula will be placed in your arm to administer IV contrast (containing iodine or gadolinium), required for this examination.  
**Please let us know if you are allergic to iodine or gadolinium**
- You will be asked to hold your breath, and to lie still while we perform the study.

#### AFTER THE STUDY:

You will be discharged from the clinic as soon as we have confirmed your heart rate and blood pressure are stable. A full report will be sent to your referring doctor following processing and correlation of the study with the attending Cardiologist and Radiologist.

**For our location maps, parking and services at each site, scan the QR code.**
